From the Manager

Hi Residents!

Hello everyone,

I hope everyone is enjoying the nice weather we have been having, except for the rain. :(It's nice to see all the flowers blooming. Speaking of flowers, **I will be picking up flats of flowers from Lexington Gardens soon.** I will send another e-mail with the date Missy will be bringing them to the park and **you will be able to pick out flowers you would like for your home.** I will also be purchasing vegetables for the garden as well.

With the Pride of Ownership underway, I will be coming to the park, the 1st week in May to check out the park. I hope I will not have to address anything when I'm there.

I need to address the noise of a minibike/motorcycle riding through the park at night. Please be mindful of the other residents that are older and go to bed early and the residents that have children that go to bed early also.

The cat population in the park is out of control. If you have a cat and it isn't spayed or neutered, you need to keep them inside. I have not had any luck with finding someone to pick up the strays. When I do and your cat is outside at the time, your cat will be removed from the park. I do not want to take your pet, so please keep them inside. If you know of anyone that would like a cat, please have them come pick one up.

Thank you.
